### 7. ENFORCEMENT – 105 CROCKFORD PARK ROAD, ADDLESTONE (DTS)

#### 1. Purpose of Report

##### 1.1 **To inform Members of a recent appeal decision in respect of the above property and to consider the position on possible enforcement action.**

#### 2. Background Information

2.1 In December 2008, a retrospective application (RU 08/1213) for a garage conversion into a residential annex incorporating an increase in ridge-height of the garage and the insertion of a side dormer window and the proposed erection of an external staircase at No 105 Crockford Park Road was submitted to the local planning authority. This application was considered at the Planning Committee on 18 March 2009 and a copy of the Committee report is attached as Appendix 'B'. The recommendation was to grant planning permission subject to conditions.

2.2 The Planning Committee overturned the Officer's recommendation and refused planning permission on the grounds that "the height and scale of the residential annex and its cramped relationship with the main dwelling and the adjoining dwelling is considered to be an incongruous feature in the streetscene and detrimental to the amenity of the area". Members also requested a report to be made to a future meeting regarding enforcement action.

2.3 The applicant appealed against the refusal of planning permission. In July 2009 the Planning Inspector allowed the appeal and granted planning permission for RU 08/1213 subject to one condition. A copy of the Inspector's appeal decision letter is attached as Appendix 'C'.

#### 3. Report

3.1 In refusing planning permission for the garage conversion and extensions, the Planning Committee also requested a follow-up enforcement report. This enforcement report has been delayed to await the outcome of the planning appeal on the refusal of planning permission.

3.2 In considering enforcement action under the terms of the Government guidance contained within Planning Policy Guidance Note 18 'Enforcing Planning Control', it must be expedient to take enforcement action against a breach of planning control. The decisive issue for the local planning authority should be whether the breach of control could unacceptably affect public amenity.

3.3 The garage conversion and extensions have now been granted planning permission by the Planning Inspector and no longer breach planning control. The Inspector also considered that the development did not harm the character of the area or the streetscene. Given this appeal decision, no further enforcement action is recommended in this case.

#### **OFFICERS' RECOMMENDATION that –**

**no enforcement action be taken regarding the retrospective planning application RU 08/1213 at No 105 Crockford Park Road, Addlestone.**
