

Single Group for Young People task group

The work plan for this group is:

1. To achieve an increase in positive coverage of young people in Runnymede in the local media.
2. To bring together partners working with young people in Runnymede Secondary Schools to share their work plans and identify opportunities for joint working.
3. To support the new Runnymede Youth Council in its objectives and ensure it is connected to all relevant partners
4. To identify and develop solutions to the perceived needs of young people in ASB hot spots, to address underlying causes of anti-social behaviour.
5. To take forward football focus programmes across the Borough.
6. To provide an accessible sexual health drop-in facility for young people in Runnymede.
7. To inform and engage with other organisations working with young people in Runnymede, including voluntary and faith groups.
8. To ensure that young people are given effective support to bid for local projects from the Youth Opportunities Fund
