

# Ottershaw Chase , Timber Hill and Chaworth Copse

Why not come and enjoy the unique splendour of your local countryside, with a wealth of trees, wildlife, birds and plants waiting to be discovered on your doorstep. These areas provide a great space to walk the dog, take the children on a nature trail or have a ramble with friends and family. Nearby there are restaurants and pubs which make it perfectly located for that after lunch walk. Why not get out and about and enjoy the great outdoors!

Located on either side of the Guildford Road(A320), Ottershaw Chase, Timber Hill and Chaworth Copse are ideal for dog walkers and ramblers. With footpaths that intersect at all three sites, you will be able to choose from a selection of routes catering for all ages and levels of fitness.

A longer ramblers route is available which passes through Ottershaw Chase (down Cross Lane) and Timber Hill from Ether Hill/Queenwood (see leaflet 4) This will take approximately 2 hours to complete and is 4 miles long. If you want something a little shorter why not try the circular walk around Ottershaw Chase or Timber Hill and Chaworth Copse?

The shorter walk at Ottershaw Chase is a circular walk of about 1 mile and takes approximately 30 minutes.

Ottershaw Chase was originally part of the garden for the large house known as 'The Mansion' set in the grounds of Ottershaw Park. The woodland is largely planted with Sweet Chestnuts (*Castanea Sativa*), which can grow up to 21 meters (70ft) tall and were introduced by Roman settlers.

## The Countryside Code

- Be Safe - Plan ahead and follow any signs
- Leave gates and property as you find them
- Protect plants and animals and take litter home
- Keep dogs under control
- Consider other people

- Key**
- 1 mile walk approx 30 mins
  - 1 mile walk approx 30 mins
  - 1 mile walk approx 30 mins
  - Ⓟ Limited available
  - ♿ Not Suitable
  - ← Entrance Points
  - Bridle way

Always let somebody know your whereabouts

There are also a number of Giant Redwood trees (Sequoiadendron giganteum) one of the largest species in England.

The shorter Timber Hill and Chaworth Copse circular walk is 1 mile and takes approximately 30 minutes to complete.

Timber Hill and Chaworth Copse were also originally part of The Mansion grounds and were given to the poor of the community to graze their animals on, and later used as allotments from the 1800s until the 1960s. Due to this use the land is not as mature as Ottershaw Chase but still offers some interest with beautiful specimens of Common Oaks (Quercus robur) and you can also find Damson Trees (Prunus insititia) on the lower ground.

The Ottershaw and Brox Walk leaflet (Rambles 4) and others are available at [runnymede.gov.uk](http://runnymede.gov.uk) or from the Leisure Services.
