

Runnymede Community Safety Partnership: PLAN FOR ACTION FOR APRIL 2010- March 2011
(Safer Runnymede)

This is a live document & subject to change as necessary

Agreed objectives	Reason for objective (actual data or public perception)	Actions <i>How success will be measured</i>	Timescale	Links To;	Lead Agencies
1. Alcohol & Drug misuse: Raise general awareness of risks of excessive alcohol consumption	Evidence of higher than average rate of alcohol-specific hospital admissions and relatively high levels of harmful drinking	Run poster campaign in local venues and off-licence outlets for Alcohol & DA Awareness weeks, and 3 public events during the year.	At relevant events	PSA23 PSA25 NI 28 NI 30 NI 33 NI40	RBC SCC Police PCT
Reducing under-age consumption by talking to teenagers through partnership with schools, colleges & youth centres	Evidence of higher than average rate of alcohol-related hospital admissions among under 18s	Raise awareness of underage drinking at Junior Citizen (which will reach approx 750 year 6 children per year) + 3 visits per annum to 5 secondary schools. <i>Measure: % reduction year on year using baseline data from PCT on alcohol-related hospital admissions for under-18s from Runnymede</i>	November Sept 10 – June 11	PSA12 NI51,5 5,56,57 & 58	Police & RBC
Address parental consumption of alcohol	As above	Promote RBC advisory leaflet at public events as listed above.	Ongoing	PSA18 NI120 NI123 NI125 NI136	RBC & PCT
Police staff, Trading Standards & Borough	As above	Continue to monitor incidents around licensed premises and	Ongoing	PSA25 NI41 NI42	Police RBC

licensing officers will work closely together on management of licensed premises and Pub Watch		report to JAG on incidents of excess alcohol consumption in specific locations. Spot check underage sales @ licensed premises, carry out at least 24 checks per annum	April 2010 -March 2011		
2. Violent Crime (including Domestic Abuse) Improve analysis of violent crime data	Whilst serious violent crime is reducing (-30%) it remains a key concern, and total violent crime shows an 11% increase in January 2010 compared to January 2009. This is seen as a positive statistic as the rise stems from earlier interventions and greater reporting of domestic abuse as a result of partnership activity.	Monthly Police reports to map latest data on serious violence, weapons, domestic violence, hate crime, and serious sexual offences at small area level. Notification of Violent Crime hotspots to JAG at earliest opportunity. <i>Measure: delivery of quarterly reports to CSP indicating changes in specific crime types and brief indication of resulting action plans</i>		PSA23 Ni 15-34	Police
Domestic abuse: work with other agencies to reduce reoffending rates of domestic abuse incidents	National guidelines regarding reoffending rates for perpetrators of domestic abuse	Support victims of Domestic Abuse including providing an outreach service accessible to all and promoting the Sanctuary scheme offered by RBC. <i>Measure: Reduction in Police repeat statistics currently at 31 %</i>	Ongoing	PSA23 NI15-34	Surrey Police, Surrey Women's Aid RBC DAAT
Appropriate Response to Hate Crime Graffiti	To reduce public perception of tension / unrest in the community	All hate crime graffiti removed within 24 hours of reporting to Street Care team	As the need arises		

Exchange of Data	To increase capacity for Partnership working and improve public confidence by providing speedy co-ordinated responses	Chair or Vice chair of CIAG to attend 75% of MAPPA, PPOMP & MARAC meetings per year Investigate options for joint / linked IT systems			
Increase awareness of Terrorist / Extremist Indicators	National Directive	Train frontline staff in identifying indicators and correct reporting procedures. Promote the Act Now programme	April 2010 – March 2011	NI35	Respective Agency + some joint work
Prevent Action Plan	National Directive	Produce and monitor the action plan working across Borough boundaries to maximise the opportunity to reach faith & ethnic groups meeting outside of Runnymede <i>Measure: reporting activities & progress quarterly to CSP</i>			All with Police providing the action plan updates
3. Local anti-social behaviour and disorder Partners to continue to encourage reporting of all ASB	* Community Safety Survey 2007, public identified fly tipping, graffiti in town centres and illegal mini moto use as key issues	Repeat 3 yearly CS Strategy Staff a “drop in” desk in RBC reception one afternoon per week to enhance the online, telephone & written options for reporting incidents. <i>Measure: % increase in public satisfaction with ASB in</i>	Spring 2010	PSA23 NI17 NI27	RBC

		<i>Police/SCC quarterly surveys and RBC Community Safety Survey</i>			
Attendance at CIAG & JAG	To promote information sharing & provide timely, coordinated responses to incidents	Agencies to attend or provide information in an agreed format for 75% of all meetings	April 2010-March 2011		RBC
Reduce the number of opportunities for ASB during School term time	08/09 statistics show Runnymede to have the 2 nd highest truancy levels in County & a high level of NEET's	Support inclusion programs across Borough. <i>Measure: decrease in numbers of young people in Borough showing as truants, excluded or NEET on 09/10 figures</i>			
Reports from the JAG & CIAG to CSP will document how partners are working with communities to address priorities and concerns of local people, identifying individuals creating community impact	Community Safety Survey 2007 Dealing with new problems as they emerge.	JAG & CIAG reports remain standing items on CSP agenda <i>Measure: time taken to resolve concerns at specific locations & the number of ASBO breaches</i>	ongoing	PSA15 NI179	CIAG & JAG chair or vice-chair
Publish & report on ASB Minimum standards	National Directive	Quarterly reports to CSP	ongoing		RBC
4. Driver behaviour & road safety Publicise widely all partner actions taken to tackle driver behaviour locally	Driver behaviour was identified as a key community concern in Community Safety Survey 2007, especially speeding, dangerous parking and abandoned vehicles. & remains a priority at NSO panel	At 3 public events per year <ul style="list-style-type: none"> Promote Smart Drive campaign across Borough Take part in REED days whenever possible -3 per year 	Continuous Autumn 10 Spring 11	NI47 NI48	SCC Safer Travel team, school, Police

	meetings & policing forum	<ul style="list-style-type: none"> • promote Safe Drive Stay Alive event and new DVD to all schools in the Borough • encourage youth participation in awareness projects such as Motor cycle youth project & D of E related schemes. <p><i>Measure: reduction in accidents at Safety Camera locations, reduction in KSI total for 2010</i></p>			SF&R
Publicise details of how and where the mobile speed camera has been deployed	As above	<ul style="list-style-type: none"> * Post details on police and Safer Runnymede websites; * highlight at regular press conferences (borough inspector) 	Quarterly Weekly	NI47 NI48	RBC using Police data Police
Raise public awareness of KSI and prevention measures locally	As above	<ul style="list-style-type: none"> * reporting to Local Committee on road safety. <p><i>Measure: comprehensive report published and circulated widely</i></p>	ongoing		SCC Police SF&R
5.Communications & reassurance Coordinated communications strategy which includes up-to-date Safer Runnymede website, regular press releases, and	Fear of crime noted by 25% of respondents to community safety survey, out of proportion to actual crime figures.	<ul style="list-style-type: none"> * police to lead on regular press conferences with range of local media * Update Partnership website quarterly. * Support Operation Quake events in the appropriate way for 	Ongoing	PSA21 PSA23 NI1 NI2 NI4 NI 15-34 NI179	RBC Police All

<p>use of public meetings to reassure</p>		<p>each Agency * Develop 4 targeted public events per year (such as PAD or Drive Smart days) Attend 3 public events per annum to demonstrate multi agency working <i>Measure: % reduction in respondents who fear crime, in 2010 Community Safety survey with a commitment to reduce Fear of crime locally by 3% in 2011</i></p>			<p>All All</p>
<p>6.Under 25s as victims & offenders Develop communication with young people through school councils, Expload, youth drop-in, Royal Holloway liaison</p>	<p>Previous Community safety survey showed that young people had higher fear of crime than other groups.</p>	<p>*JAG Chair or Vice-chair to attend RHUL internal & public meetings (8 per year) & feed relevant info into JAG process *Promote national awareness weeks more in Schools 6th form colleges & RHUL (eight events per year to include Alcohol/Drugs/Internet & Personal Safety * consider results of Spring 2010 Survey to progress and develop stronger links with young people <i>Measure: number of young contacts recorded at Police drop-in, RHUL engagement, Expload</i></p>	<p>ongoing</p>	<p>Ni59-71 Ni179</p>	<p>RBC/ SCC</p>

Raise awareness of actions and consequences of ASB	Low level ASB often being the starting point for higher level ASB & crime noted from experience with CIAG & JAG cases	Present the actions and consequences set at Junior Citizen	November 2010	PSA23 NI21	Surrey Police
