

Notice of Delay in Publication of Statement of Accounts and in the Commencement of the Public Inspection Period - Year Ended 31 March 2026

In accordance with the Accounts and Audit Regulations 2015, this is notification that there will be a delay in the publication of the Council's Unaudited Statement of Accounts and that the 30 June 2026 deadline will not be met. The commencement of the public inspection period has therefore also been delayed.

The reason for the delay in publishing the unaudited Statement of Accounts are principally due to resourcing issues and the knock-on effects of implementing a new Financial Management System. Publication will take place as soon as the draft Accounts are approved. Further notifications will be placed on the website once the 2025/26 Unaudited Statement of Accounts are available for public inspection.
