CONDITIONS OF APPLICATION

This application will only be considered as complete if: the correct fee has been paid, it is accompanied by 2 photographs, your DVLA access code, your Tax Conditionality check code and where applicable your DBS certificate and medical. Incomplete applications will not be accepted.

1. **2 passport size photographs** (without sunglasses or headwear-unless these are necessary for religious or medical reasons) for inclusion on the driver's badge issued by the Council
2. **DVLA access code** - obtained from <https://www.gov.uk/view-driving-licence> the online DVLA Shared Driving Licence service to allow the licensing authority to check your driving record. The code will be in upper case and lower case, you must copy it exactly as given **here:**

3. **Tax Conditionality** the Finance Act 2021 applies tax conditionality to licence applications for hackney carriage drivers and private hire drivers. As from 4 April 2022 this is a condition of licensing which places obligations on an applicant who wishes to renew a licence to carry out a tax check. The licensing authority will have to obtain confirmation from HMRC that the applicant has completed the check before being able to consider their renewed licence application.

If your licence is due for renewal you will need to complete a tax check if you are;

- renewing a licence
- applying for the same type of licence you previously held, that ceased being valid less than a year ago
- applying for the same type of licence you already hold with another licensing authority

You must carry out the tax check yourself. You cannot ask a tax agent or adviser to do this on your behalf. The tax check will ask questions about how you pay any tax that may be due on income you earn from your licensed trade. For information on how to complete a tax check please see;

Complete a tax check for a taxi, private hire or scrap metal licence - GOV.UK (www.gov.uk)

After you have completed the tax check you will be given a 9-character tax check code. You will need to give the code on your application to the licensing authority, so they can confirm you have carried out a tax check. Place the code exactly as given **here:**

You will not be granted a licence if you do not give a tax check code to your licensing authority.

4. **Your DBS certificate must comply with the requirements of Runnymede's Hackney Carriage and Private Hire Licensing Policy.** You must register with the DBS update service and maintain your update service subscription to allow the Council to make online checks.

The licensing authority requires licence holders to advise it, within 7 days, of any change and/or deterioration to their health or medical status that may affect either their driving capabilities and/or their ability to perform the duties of a licensed driver.

Your licence renewal may be refused if your DBS and/or Medical are not up to date in accordance with the requirements of Runnymede's Hackney Carriage and Private Hire Licensing Policy.
