NOTICE OF REVIEW OF POLLING DISTRICTS

Pursuant to the Electoral Registration and Administration Act 2013 Runnymede Borough Council is conducting a review of all polling districts and polling places within the Runnymede Borough Area in the Runnymede and Weybridge Parliamentary constituency which have been affected by the outcome of the recent Local Government Boundary Commission for England review.

We are looking for feedback on any aspect of the allocated polling area or polling stations used and invite representation and comments from interested persons. Local political parties and Councillors will be consulted and views are invited from residents as well as such persons as may have particular expertise in relation to access to premises or facilities for persons who have different forms of disability, as well as local community groups.

Any elector in the Council’s area can make representation, which may include proposals for specified alternative polling places. Please note this is not a review of District Ward boundaries.

Representations should be sent in writing by 20 November 2018 to:
