Runnymede 2030 Local Plan Examination

Representor No 703/1944 Jim Nichol/Brox End Nursery Residents Association (BENRA)

As chair of BENRA and Brox Lane Residents Associations I represent the members and supporters who number in excess of 200 local residents and households.

1. **Matter 1 Question 1**

2. RBC refused on at least two occasions to notify all residents about the Public Consultation period of their draft Local Plan.

3. Therefore RBC has been demonstrably negligent in its requirement to inform and co-operate with its residents and thus made the overall plan unsound.
