Further to our telephone conversation I confirm that having read through the draft SHMA update we have no concerns about the content and have do not require any changes apart from the few typos which we discussed.

In general we were pleased to note that the update contains some very helpful information about the situation in Spelthorne and for the HMA as a whole, particularly in relation to employment trends.

I also confirm that I will arrange for a purchase order to be issued to GL Hearn next week for our contribution to the Employment Forecasts which they purchased for the update as previously agreed.

Geoff

Hello Ann and Geoff

Happy New Year.

I hope that you both enjoyed your festive breaks! Please find attached the draft of the update to the Runnymede-Spelthorne SHMA. We need to publish this document on Wednesday 10th January to accompany our consultation on the draft Local Plan. As such, if you have any comments on the attached from a Spelthorne perspective, please can you let me know by the end of Thursday this week so that I can get back to G L Hearn in time to have the final version back early next week? I am really sorry for the tight turnaround. If this is going to be impossible, do let me know and I will see if I can get another day from GL Hearn.

Kind regards

Georgina
