Dear Mrs Travers,

Runnymede 2030 Local Plan Examination: Request to Recommend Main Modifications to the Plan

During the Examination hearings into the Runnymede Local Plan which concluded in November, the Council acknowledged that a number of main modifications would be required in order to make the Runnymede 2030 Local Plan sound. At the end of the Stage 3 hearing held on 14 November, you also confirmed that main modifications would be required to make the Plan sound.

Recognising the scope of main modifications which may need to be considered, we would now like to formally request that you recommend to the Council the main modifications to the Plan which you consider necessary to make the Plan sound, in order that the Council may formally consider and agree modifications to the Plan for public consultation.

Depending upon when we take receipt of your recommendations, we will endeavour to consider and consult upon them as soon as possible.

We look forward to receiving your recommendations.

Yours sincerely

Rachel Raynaud
Corporate Head of Planning Policy and Economic Development
